**Re:   *United States v. Wilbur Randolph***  
**S1 14 Cr. 476 (CS)**

Dear Judge Seibel:

I write to follow up a discussion we had about the above-referenced CJA matter in connection with a *Davis/2255* petition pertaining to a 924(c) conviction predicated on a RICO Conspiracy.

I have spoken with Yuanchung Lee who represents two of the seven co-defendants. The government has conceded error on co-defendant Grebinger's case. In the event that Grebinger is resentenced, a conflict will arise. Mr. Lee has no objection to me being re-assigned to Mr. Randolph who has requested that I be assigned to file any appropriate motions.

Very truly yours,

  
James Roth, Esq.
